SMART HOME LOGIN LINK: HOW DO MY STUDENTS LOG IN TO SMART AT HOME? Smart PDF Hint: Smart VIDEO Login Smart PDF Instructions: Smart Video Login Resources • Link to videos that give you an idea of Smart. Smart Video Overview • How to Get into TenMarks at Home: TenMarks at Home Video • How to Log into IXL at Home: IXL Video Students at Home get into most of our EUSD Digital Programs this year through CLEVER! Smart keeps educational apps on the roster and up to date. This is a single sign-on process where students log in to one site and have access to multiple apps they use every day. Not all apps have Clever capabilities. TENMARKS students use the TenMarks app on their iPad to log into TenMarks while at school and if they take their iPad home. On a home computer, students will go to www.tenmarks.com sign in to their TenMarks account. Google DRIVE APPS Students use the Google Drive app on their iPad while at school. On the home computer, students will go to www.google.com and then need to add their account username and password to sign in. MYON students access MyOn at school through their Smart App. On home computers, students still use Clever to log in to MyOn. Open to the student sign-in screen. Just use Clever to sign in to MyOn IXL Student's will use the IXL app while in school. On a home computer, students will go to www.ixl.com/signin/encinitas into IXL. The first time they enter, they may need to add @eusd (don't add .net) ST MATH students to ST Math through the Clever app while at school. On the home computer the student will use the Smart URL to log in first to Clever and then click ST Math. Smart URL is This will allow students to access ST Math without having to use the password of their long icon image. POWERSCHOOL students use the PowerSchool and Safari apps to sign in to PowerSchool at school. At home on a computer, students can access PowerSchool through Clever, or can enter the following URL: to go up. WORLD BOOK ONLINE / BRITANNICA ONLINE We have a great vetted resource available to you this year. The web clips for this resource are on all student iPads. Access while at home is available through Clever by going to the IMAGINE LEARNING cloudImagine changing their platform to streamline and improve program performance! Students enter Imagine Learning through the

Smart app while at school. At home on a computer, students can go to Clever by typing in the Welcome Howard School Students IXL is a math practice program that offers unlimited problems in thousands of skills. One the best thing about IXL is that you can access it from school and from home! To get unlimited practice, tracking, and rewards, be sure to sign in to your IXL account! Enter Enter and the password on this page and click Sign in. If you don't know your username or password, please check with your teacher. And remember to bookmark this page for easy access. Once logged in, click your grades to choose the skills to practice. You can place your mouse over any skill to see sample questions. Alternatively, click the Rewards tab to start conquering challenges and uncovering rewards! IXL is a fun way to learn! Os associados obtêm prática ilimitada, controle de progresso, prêmios e muito mais! Participe do IXL hoje mesmo Conheça-nos melhor com 20 questões de prática gratuitas em 800 habilidades! Experimentar 20 questões gratuitas IXL provides additional instruction and practice for mathematics, ELA, science and social studies in grade K-12. The IXL curriculum is built on targeted skills that conform to all country standards, as well as most textbook series. IXL also offers diagnostics, which demonstrate students' level proficiency in math and ELA in just 45 minutes and produce a personalized action plan. The list of IXL names and terms through Clever Secure Sync IXL offers SSO through Smart Instant Login IXL designed to help every student become a strong and confident learner, said Paul Mishkin, CEO of IXL Learning. Our expanded partnership with Clever will allow students to seamlessly connect to IXL and focus on mastering the essential skills that are critical to success in the classroom. IXL provides a fun and exciting experience for students of all levels, and includes over 8,000 adaptive skills across K-12 math, English language arts, science, and social studies. Now, any school system can allow clever single-sign on (SSO) access to IXL curriculum, diagnostics, and analytics. Students will easily find personalized resources on the Smart Portal they use every day for digital learning. A comprehensive IXL curriculum and actionable insights help schools differentiate instruction and accelerate student progress, said Tyler Bosmey, CEO of Clever. We are excited to welcome IXL Learning to the family and make its resources available through Clever, to support educators and families navigating the complexities of distance learning models and hybrids. About IXL LearningCurrently is used by 10 million students and by schools in 95 of the top 100 districts, IXL is an integrated learning platform that effectively supports personalized learning in math, English arts, science, social studies and Spanish. With more than 70 billion questions asked and answered worldwide, IXL helps schools successfully improve student achievement. The IXL product family also includes Education.com, ABCya, and Vocabulary.com.To learning more about IXL, visiting www.ixl.com, facebook.com/IXL, and twitter.com/IXLlearning.About CleverClever has a mission to open up new ways to learn for all students. Already used by over 60% of US K-12 schools, Clever brings all applications into one secure portal and provides single sign-on for everyone in District. With a network of leading digital learning providers, Clever makes schools more exciting, personalized and fun. Founded by educators and technologists passionate about improving education, Clever is based in San Francisco, California. For more information, visit clever.com.Press Contact Eric Bates 650-436-5534SOURCE IXL Learning Related Links IXL is here to help you grow, with deep learning, insights on progress, and targeted recommendations for the next steps. Practice thousands of Spanish maths, language arts, science, social studies, and skills at school, at home, and anywhere! Remember to bookmark this page so you can easily come back. To get started: 1. Log in on this page with the blue Smart Login button. 2. Download Diagnostics and visit the Recommendations page for skills selected just for you! Alternatively, explore skills by value or topic. 3. Choose a skill and let the learning begin! IXL is here to help you grow, with immersive learning, insights into progress, and targeted recommendations for the next steps.
